That would be great if you can pick up Shaun, do the tour, get him to a restaurant for dinner and yes – also drive him to Libby. As of now the best time for Congressional meeting is that Tuesday at 3:30 in Kalispell, probably at one of their offices.

Hi Jennifer,

I can plan on picking up Shaun, the tour should only take an hour but driving time to and from C Falls takes about 20 minutes each way from downtown Kalispell. I think it is important to stay in Libby as it helps send a strong message to the community. We can solidify plans once we know what time we are meeting the congressionals. I can be very flexible. Is Shaun riding back to Libby with me? That is fine just wanted to know.

Thanks for scheduling this.

Mike

Mike,

How much time would you want for the CFAC tour you offered for Shaun? I think he could be available from about 4 to 6 pm on June 28<sup>th</sup> or maybe earlier depending on when he meets with Congressional staff in Kalispell. Would you also want to pick him up from the airport in Kalispell that day about 2 pm and take him to a restaurant before or after the tour and then get him to Libby that evening? Rebecca suggested he stay in Libby that night so he is ready to go Wednesday morning.
